

Capability Statement

One accountable partner for every regulated waste stream a healthcare business generates.

Company overview

Easy Rx Cycle is a DEA-registered medical and pharmaceutical waste destruction company. Founded in 2018 in Little Rock, Arkansas (as Arkansas Redistributors, LLC), we help healthcare businesses of every size compliantly destroy controlled substances, pharmaceuticals, sharps, biohazard, chemotherapy, and hazardous waste — by mail-back or scheduled pickup, nationwide, with a Certificate of Destruction on every order. No forced contracts.

Core competencies

- Controlled substance destruction (DEA Schedules II–V, non-retrievable)
- Pharmaceutical waste (non-controlled) & medication disposal kits
- Sharps & biohazard / regulated medical waste (RMW)
- RCRA-hazardous pharmaceutical waste & trace chemotherapy (USP 800)
- Pharmaceutical reverse distribution & manufacturer credit recovery
- Nationwide mail-back kits and scheduled pickup programs

Differentiators

- One vendor for every stream — simplify compliance and billing
- Certificate of Destruction & chain-of-custody on every order
- Nationwide mail-back to all 50 states, plus scheduled/on-request pickup
- Flat-rate pricing; PO, W-9, and tax-exempt supported; no long-term contract

Credentials

- DEA-registered reverse distributor — Reg. No. RA0536740 (Schedules I–V)
- EPA / RCRA-compliant hazardous pharmaceutical waste handling
- DOT / PHMSA-compliant hazardous-materials transport
- HIPAA-compliant; Business Associate Agreement (BAA) available
- Registered DBA of Arkansas Redistributors, LLC (Arkansas Secretary of State)
